

Marc Coleman

Marc Coleman is Founder & CEO of UNLEASH, the world's #1 destination and marketplace for human resources, recruitment and learning leaders globally. Marc is passionate about building global communities that imagine, create and power the new working world. UNLEASH has served as a strategic transformation engine for the most powerful network of human resources leaders in the world. They represent the world's leading employers and range from the Fortune 2000, public sector organizations, NGO's to innovative start-ups and everything in between.

Marc has worked with UNLEASH contributors that include Sir Richard Branson, Arianna Huffington, Edward Snowden, Stephen Fry, Esther Perel, Simon Sinek, Baroness Susan Greenfield, Sir Bob Geldof, Rachel Botsman, Gary Vaynerchuk and many more. In 2019, UNLEASH was listed on the Inc. 5000 - the world's fastest growing companies with 212% yoy growth over 3yrs. Prior to UNLEASH, Marc worked in the US for Microsoft and Philips Sonicare and in Asia Pacific he worked across a portfolio of successful business and sporting events that included; FIFA World Cup, F1, The Rugby World Cup, The America's Cup, APAC CEO Summit and World IT Congress.

Educated in Ireland, Marc has a Higher Diploma in Quality Control Management, Applied Biology & Physics, a BSc in Microbiology and an MSc in Biotechnology.
